Watch the “Change for Climate is Here” video. Then answer the following questions.

What / where is Turtle Island?

What / where is Lenapehoking?

Describe a symbol in the image that the video taught you more about. What is the symbol, and what else did you learn about it?

Which had the greatest impact on you: the mural image, the creation story, or the video? Explain why.

After watching the video, what questions do you have?

Based on everything you learned in class today, come up with a title for the image you saw at the beginning of class. Why did you choose this title?
