### Neighborhood Environmental Scavenger Hunt

As you find each item, write a short description in the appropriate square. You can answer the squares in any order. Don't forget to take a picture!

| Plant<br>Description             | Animal<br>Description            | Positive Human<br>Impact - Air         | Negative Human<br>Impact - Air         |
|----------------------------------|----------------------------------|--|--|
| Quantity                         | Quantity                         |  |  |
